

MED-GOLD LIVING LAB 2021

Turning climate information into value for traditional Mediterranean agri-food systems
27 May - 24 June 2021

TECHNICAL INFORMATION

1) Credential for Amazon Chime:

All the sessions will be on **Amazon Chime**, that you should download and install in your device (if possible, please do not use the web application where not all the functionalities are included).

Please use the account you 'll receive soon in a separate message to access to Chime system. When you access use **always** the credentials received (considered as account and email address as well) every time the account AND email address are requested, do not use any other email contact or your own amazon account! Please use if possible an installed version as it is easier to follow the chats and to get access to the different rooms. However, if it cannot be possible, the web application is supported on a large number of browsers.

Additional details on Amazon Chime can be found here

<https://aws.amazon.com/it/chime/download/> and

<https://answers.chime.aws/articles/17/supported-operating-systems.html> .

2) Test session on Chime:

We are organising a test session for **Tuesday 25 May, at 11.00 CEST**. Below attached you can find the invitation to test the system and get to know it. The invitation for all the plenary sessions will be sent in a similar way. Please access with the credentials you'll receive soon

3) PROGRAM for the plenary sessions:

The event will start on Thursday **27 May** and, **with 9 sessions in 5 weeks**, will end on **24 June**.

We will have the first plenary session on **27 May, Thursday from 11.00 to 13.30 CEST**. The following sessions will be on the following **Thursdays: 03 June, 10 June, 17 June, 24 June always for 11.00-13-30 CEST** . We will have the first hand-on session on **31 May, Monday from 14.00 CEST**. The following sessions will be on the following **Mondays: 07 June, 14 June, 21 June always from 14.00 CEST**. The programme of the plenary sessions is also attached

We have created a Google Calendar with the main events:

<https://calendar.google.com/calendar/u/0?cid=cTl2ODZsdmYwNXZmcGVrZTBhajR0bGxocDRhZ3JvdXAuY2FsZW5kYXluZ29vZ2xlLmNvbQ>

The link for the plenary session will be always <https://chime.aws/8452007648>.

However, you'll receive a reminder just before the meeting. For the parallel breakout groups the links will be sent case by case,

All the Sessions will be, in principle, recorded and stored in the Living Lab repository to help who cannot attend, let us know if there are any objections for your side.

5) Personal Contacts

At the beginning of the Living Lab we would share between students and organizers a sheet with our mail contacts in order to make the communication easier, in addition to the chime room chats that we'll use for the most part of the communication. Please let us know before next **Tuesday, May 25** if there are any objections for this.
